

East Portland Action Plan Bicycle Subcommittee
Date: Nov 5, 2009
Location: Muchas Gracias, 1307 NE 102nd Ave

Agenda

6:30 Check in & introductions (All)

6:40 New business and announcements, & discuss results of Oct 28 EPAP meeting (All)
EPAP letter to BMP, with Jim's changes, passed unanimously
Sullivan's Gulch Trail: segment from I-205 to 122nd (I-84 extension) may soon become an issue; Paul Smith at PBOT needs to be notified of our concerns
Additional items

6:50 Strategy session for PBOT Transportation Options staff meeting on Nov 18 (Katie, Tom, Brian, Jim, Susan, & Eliza; Dave will take notes)
Issues: What do we want covered? What are our goals?

7:30 Start work on Safe Routes to School & East Portland bike-pedestrian master planning (Dave & Jim)
Possible pilot study/ride by EPAP BS planning group (pun intended) on Nov 7, just before I-205 dedication

8:00 PBOT Smart Trips input session with Timo & Janis
Note: the Smart Trips project has been expanded to 122nd Ave, originally 72nd to 114th & from the Clackamas line to the Columbia River.
Additional participants will be arriving from a Parks meeting at EPNO, which ends at 8pm.

9:00 Adjourn

Next Meeting: Nov 19, 2009

Tentative agenda items: (not in order)

Safe Routes to School planning

East Portland bike-pedestrian master planning

PBOT Nov 18 meeting debrief

Rides for 2010

Subcommittee focus & structure: Do we take on Pedestrian & Transit issues?

Outreach for subcommittee, e-mail and web connections
